

TRANSIGN®

YOUR DESTINATION BEGINS HERE

Transign has been making roller curtain signs for the transit industry since 1959. These curtain signs, also known as destination blinds, rollsigns, or destination scrolls, have been used in transit for over 60 years. Custom logos and graphics can be used for destination, PR, branding, or advertisement purposes, and are a low-cost alternative to LED signs.

ROLLER CURTAIN FEATURES

- Easy installation and virtually maintenance-free
- Lower cost alternative to LED destination signs
- Excellent clarity and readability at up to 500 feet
- Variety of sizes - fits HD buses, cutaways, and trolleys
- Motor-driven or hand-cranked with LED backlight
- Made from durable, fire-resistant materials
- Suitable for front, side, or rear installation
- Up to 120 destinations, readings, or images

CUSTOM DESIGN CAPABILITIES

With our in-house graphic design capabilities, we can quickly create the curtain sign that meets your requirements, including color, hi-res graphics, logos, and special fonts. By printing directly on mylar film using high-end digital ink-jet printers, Transign provides fast turn-around on your destination signs.

BUY AMERICA - MADE IN U.S.A.

Using the highest quality parts, our Roller Curtain Signs are proudly made in Detroit, Michigan USA in full compliance with the **Buy America Act**.

ROLLER CURTAIN WARRANTY INFO
